

Venue Accessibility:

The Union building – although challenging, is fully accessible with lift access across all floors of the venue and accessible gender-neutral WC's available in each venue.

The Union building is set-out on six levels but there is either ramped or lift access to every level with the distance from the main entrance to the furthest part of the venues approximately 200 metres.

We have drop-down bars in all of our venues.

Getting To The Venue:

Parking:

Parking is very limited close to the Union building and is on-street only, however provision is available close to the Union entrance – between 10 and 40 metres, for up to six blue-badge holders.

Please note – additional Blue Badge parking is available on Campus – around 500 metres away, within the Leeds University Multi-storey car park should the spaces by the Union be unavailable. Additional spaces are also provided off-Campus at the Woodhouse Lane Multi-storey. All parking options are listed [here](#).
